According to a railroad teletype message of 25 August 1953 by the Vienna railroad district headquarters, troop trains dispatched from Baden to Hungary via Moedling, Vienna-East, Himberg, Goetzenburg, Bruck an der Leitha and Hegyeshalom on 26 August included: a train of 8 converted boxcars and 31 other cars, [REDACTED] a train of 25X1
 25X1 12 converted boxcars and 13 other cars, [REDACTED] a train of 2 converted boxcars and 12 other cars, [REDACTED] and 25X1
 a train of 2 converted boxcars and 12 other cars, [REDACTED]
 The other cars probably were flatcars. 25X1

25X1A

[REDACTED] Comment. The composition of the troop trains indicates that a whole unit probably moved to Hungary for participating in field exercises.
